Cargo Van Rental Los Angeles

Do you want to make your transport to and from the Los Angeles airport easy and convenient? Executive Van and SUV Rental (LAX) cargo van rental Los Angeles can make that happen. Executive Van and SUV Rental is a premier provider of cargo van rentals Los Angeles. Renting a cargo van from LAX is the ideal way to bring home a lot of luggage or pick up large cargo packages from the airport. Our newer cargo vans have a powerful V-6 engine made to haul heavy loads of cargo and are fully loaded with automatic transmission, air conditioner, and CD player with wanted. Our cargo vans hold two passengers in the front seats and have plenty of room for five full sized pieces of luggage in the back. Since regular standard cars cannot hold more than two suit cases, the cargo van is an ideal way of transporting several luggage for those people who are coming back from a long journey.
