
12 Passenger Van Rental Los Angeles

12 Passenger Van Rental Los Angeles The Executive Van and SUV Rental in Los Angeles also have a large fleet of 12 passenger rental vans available. Our 12 passenger van rental are fully loaded with a TRITON V-10 engine made for heavy loads. It carries 12 passengers comfortably with removable rear seats for more cargo space, including AM/FM Stereo radio and CD player. The 12 passenger vans are perfect for a big group traveling to and from Los Angeles airport (LAX) with multiple pieces of large luggage. The removable seats also allow the van to seat nine passengers with plenty of room leftover for big suitcases in the back. The 12 passenger van is great for big group trips and excursions, camping trips, ski trips up and down the California coastline. Our vans are great for driving throughout the state of California, and are not only limited to the Los Angeles area. This means that you can pick up your rental van upon arrival at LAX, pile in your entire luggage, and immediately start exploring all of the awesome tourist spots California has to offer.
